

CHINA YUCHAI ANNOUNCES DELIVERY OF 200 BUSES POWERED BY YC6J210N-52 HYBRID GAS ENGINES

Singapore, Singapore – October 31, 2017 - China Yuchai International Limited (NYSE: CYD) (“China Yuchai” or the “Company”), a leading manufacturer and distributor of engines for on-and off-road applications in China through its main operating subsidiary, Guangxi Yuchai Machinery Company Limited (“GYMCL”), announced today that 200 buses manufactured by Inner Mongolia Qingshan Automobile Co., Ltd. and all powered by GYMCL’s YC6J210N-52 hybrid gas engines were recently delivered to Baotou Bus in the city of Baotou in Inner Mongolia.

The 200 buses are being used in the public transportation system of Baotou. The YC6J210N-52 hybrid gas engine is a turbocharged 6-cylinder engine with a displacement of 6.5 litres and is compliant with China’s National V emission standards.

Baotou Bus has a total of about 1,200 buses, of which over 1,000 buses are powered by GYMCL’s engines.

Mr. Weng Ming Hoh, President of China Yuchai, commented, “We won this order due to the excellence of our engines backed by our high-quality extensive service network. Our hybrid engines remain the leader in this engine sector with a proven track record of providing high reliability and performance with significantly improved fuel consumption and emissions.”

About China Yuchai International

China Yuchai International Limited, through its subsidiary, Guangxi Yuchai Machinery Company Limited (“GYMCL”), engages in the manufacture, assembly, and sale of a wide variety of light-, medium- and heavy-duty engines for trucks, buses, passenger vehicles, construction equipment, marine and agriculture applications in China. GYMCL also produces diesel power generators. The engines produced by GYMCL range from diesel to natural gas and hybrid engines. Through its regional sales offices and authorized customer service centers, the Company distributes its engines directly to auto OEMs and retailers and provides maintenance and retrofitting services throughout China. Founded in 1951, GYMCL has established a reputable brand name, strong research and development team and significant market share in China with high-quality products and reliable after-sales support. In 2016, GYMCL sold 320,424 engines and is recognized as a leading manufacturer and distributor of engines in China. For more information, please visit <http://www.cyilimited.com>.
