## Equity Acquisition of Nanyue Diankong (Hengyang) Industrial Technology

12/01/26

SINGAPORE, Jan. 12, 2026 /PRNewswire/ -- **China Yuchai International Limited (NYSE: CYD)** ("China Yuchai" or the "Company"), one of the largest powertrain solution manufacturers through its main operating subsidiary in China, Guangxi Yuchai Machinery Company Limited ("Yuchai"), wishes to announce that Yuchai has acquired 83,918,495 shares of Nanyue Diankong (Hengyang) Industrial Technology Company Limited ("NYDK"), representing a 27.97% equity interest, for a consideration of approximately RMB 176.2 million in cash. Following the acquisition, Yuchai has become the second-largest shareholder of NYDK.

Yuchai has also entered into a concerted action agreement with Hunan Hengyang Auto Parts Factory, the largest shareholder of NYDK. This agreement enables Yuchai to secure operational control over NYDK, including, among other things, the right to nominate six out of nine directors on NYDK's board of directors and designate its general manager. The NYDK acquisition enhances Yuchai's supply chain in key components used in its powertrain solutions.

NYDK is a national high-tech and industry leader specializing in fuel injection systems, including common rail systems, unit pumps and mechanical pumps.

### About China Yuchai International

China Yuchai International Limited, through its subsidiary Guangxi Yuchai Machinery Company Limited ("Yuchai"), is one of the leading powertrain solution providers in China. Yuchai specializes in the design, manufacture, assembly, and sale of a wide variety of light-, medium- and heavy-duty engines for trucks, buses, pickups, construction and agricultural equipment, and marine and power generation applications. Yuchai offers a comprehensive portfolio of powertrain solutions, including but not limited to diesel, natural gas, and new energy products such as pure electric, range extenders, and hybrid and fuel cell systems. Through its extensive network of regional sales offices and authorized customer service centers, Yuchai distributes its engines directly to auto OEMs and distributors while providing after-sales services across China and globally. Founded in 1951, Yuchai has established a reputable brand name, built a strong research and development team, and achieved a significant market share in China. Known for its high-quality products and reliable after-sales support, Yuchai has also expanded its footprint into overseas markets. In 2024, Yuchai sold 356,586 engines, further solidifying its position as a leading manufacturer and distributor of engines in China. For more information, please visit <https://www.cyilimited.com>
